Lots of Country Charm! Lots of Possibilities! Have a look at this large 4 bedroom home with the wonderful ocean view. Enjoy the large eat-in country kitchen, with lots of birch cupboards, and counter space. It even has an adjoining mudroom and a large screened in porch for enjoying the surrounding views. Living room, dining room, and half bath on the main level. There are 4 bedrooms upstairs, with a full bath, and even a craft room. This gorgeous older home was a successful Bed & Breakfast a few years ago and certainly could be again. A wired garage/workshop for the handyman, and the grounds in summer are stunning. Deeded ocean access is just the icing. Just use your imagination!
