Close to Pictou but privately situated in the country, this well maintained three bedroom bungalow offers rural life at itâs best. The two-story, two car garage has a concrete floor, big windows and an upstairs that could be used as a work shop. The walkout basement is in great shape and offers loads of storage space. The well manicured lawn gives the property an air of peace and tranquility. Upgrades include new roof in 2003, furnace in 1999 and oil tank in 2007.
