There is still time! the water is still warm! Here is a fully furnished cottage, on a very private lot, overlooking a great beach, all ready to go - located on Brule Point Road.

This cottage has been well-maintained, has 2 bedrooms with closets, plus a full bath, and a utility room with washer and dryer. The kitchen even has a dishwasher so you can walk or swim instead of doing dishes! The lot is level with some large trees, but it's about THE VIEW out of the big picture window in the large living room. It's not waterfrontage, but it's oooohh, so close. Only on other cottage on the whole lane, so if you are looking for privacy - this is it. A large deck runs around two sides. Great swimming, picking oysters and clams! limited to your imagination.
